   - Public Comment (3 minutes per person as time permits)---none.
   - Introductions of Guests---none.

Information Items
1. Faculty Diversity Internship Program (FDIP) Task Force.
   Ryan Cox, LRCCD Vice Chancellor, Human Resources, requested of May that two
   faculty members from each college to serve on the Task Force, along with Valerie
   Carrigan and Theresa Cuny for District HR. The task of the group is to create
   process/plan on how FDIP will operate. May noted that one goal is to identify a
   coordinator from each college (possibly with stipend). She also noted that the proposed
   plan will come back to DAS and also shared with the college senates for input.
   ARC and CRC have already identified faculty members.

   Action: FLC and SCC senate presidents to provide names to May for appointment to the Task
   Force.

2. Dual Enrollment Task Force
   This Task Force was one of the items discussed with Deputy Chancellor Lorimer today.
   May noted that there will be one more meeting of the Task Force with the goal of a
   template MOU that can be used with the K-12 districts. It was also noted that the District
   is not interested in being overly prescriptive, e.g. some senates had expressed interest in
   age or GPA limitations. It was strongly emphasized that faculty must be involved in
   decisions on what courses will be offered through the Dual Enrollment program.

   Decision Items---none

   Discussion/Direction Items

   1. Equivalencies to Minimum Qualifications
      JP Sherry, LRCCD General Counsel presented revisions to R-5121, 5122, 5123. The
      DAS was in agreement with the revisions.

   2. Institutional Effectiveness Partnership Initiative (IEPI) Partnership Resource Team –
      District Letter

      DAS had a vigorous discussion about the letter that Chancellor King intends to send as a
      supplement to the initial Letter of Interest submitted on April 21.
      Items discussed included:
      Delete reference to Redesigning America’s Community Colleges..
      Need a reference to Lifelong Learning mission.
      Mention of the inclusion of both Pathways and courses that round out a well-balanced liberal
      education.
      Need for faculty input on issues of pathways and scheduling.

      Action: May to receive proposed edits. She will compile and send out to DAS for feedback by
      noon, September 7.
