1. DAS Constitution Draft 4-4-2017: (2nd Reading)---deferred to May 2 to allow SCC the opportunity to review the document.

Discussion/Direction Items
1. Course Scheduling Software Workgroup revisit – T. Myers---deferred

2. Portability of Equity Representative Training and EEO (Hiring the Best) Training – R. Cox and T. Cuny
   - Cuny mentioned the email trail between May and Cox and Cuny and the college Equity Officers. There is already portability of the Hiring the Best training (for all members of interview/screening committees) and there is now agreement to the portability of equity representative training, but with the encouragement that the first choice of training be at the member’s home college.
• It was noted that Equity Officers need to ensure that equity reps are appropriately trained.
• In response to the questions about the need for training every two years, Cuny noted that she believes that it is in the EEO manual. She feels it is an appropriate interval for training as there are changes in EEO policies and impressions over time.

3. Class size on Course Outline of Record (COR) – A. Shubb, S. Mills, M. Lawlor, C. Lopez, K. Knudson

The workgroup has two recommendations
1) DAS to ask DCCC to develop a process to allow Course Outlines of Record (CORs) to include class size, if faculty wish to do so; and
2) LRCFT: deans must notify faculty promptly when class size is changed when no recommended class size is in place.

DAS Discussion Points:
• It might not be possible to have the same class size for a course that is taught at more than one college, as the curriculum “Rule of Five” allows for some variation in COR content. There has been some past dialog about including prerequisites as another rule.
• It was noted that some departments have been told of the need to raise class size because other colleges had a higher level. Is there the possibility of a sliding range/interval rule?
• It was noted that there is sometime the pressure to raise class size in some classes in a department in order to other classes in the department/area with lower enrollment.
• Faculty taking on too many students and impacts other sections (which impacts loads for other faculty).
• Need for conversations between faculty and deans
• It was expressed that each department should be allowed to make decisions for themselves.
• Class size for some faculty would be incredibly helpful.

Future Agenda Items
1. Faculty Diversity Internship Program (FDIP) (May 2---status report)—note to Senate Presidents---think about appointments to possibly serve on interviewing potential candidates in August)
2. Program Placement Council (PPC)---to be a Fall agenda item.
3. Professional Development---to be a Fall agenda item.
4. Mobile Device Management (May 2)
5. Process for Course Scheduling Software---Aguilar will be serving on the district committee.
