**Dependent Care Eligible Expenses**

**Tax Savings**
A Dependent Care Flexible Spending Account (DCFSA) is a pretax benefit that allows reimbursement for qualified dependent care expenses. Qualified expenses include care for a dependent child under the age of 13 and/or care for your spouse or adult dependent who is physically or mentally unable to care for themselves.

**How It Works**
Plan participants specify a certain dollar amount to contribute from their paychecks per pay period to their DCFSA. Unlike a Medical FSA, DCFSA are a pay-as-you-go account, meaning funds are not advanced by the employer. DCFSA election amounts can change or stop during the year if expenses change.
