The 403(b) and/or 457(b) Plan(s) offered by your Employer are valuable retirement savings options. Your employer has utilized the services of a Third Party Administrator (TPA) to keep the Plan(s) in compliance with state and federal rules and regulations. Envoy Plan Services (Envoy) is proud to be the TPA of these programs offered by your Employer.

Envoy has implemented some exciting changes to the services we provide that we want you to be aware of. Beginning January 1, 2019, the transaction/distribution and salary reduction agreement (SRA) servicing will be handled by a company that Envoy has partnered with. This new company is TSA Consulting Group (TSACG). Please refer to the list below for a review of the program including the enhancements being made available to you.

**Distribution/Transaction Requests**

Envoy/TSACG, utilizing an advanced Web-based system for plan participants and/or their advisors, can now submit all distribution/transaction requests by uploading the forms to our website and gain immediate approval certification for eligible requests. In addition, as long as you provide your email address on the forms submitted, we will send you an email once the request has been received and again when the request has been approved.

- Distributions from the Plan include: loans, transfers, rollovers, contract exchanges, and all other distributions.
- All distribution requests must be sent to Envoy/TSACG for approval prior to submission to your provider for processing.
- If you are transferring and closing your 403(b) account, YOU MUST submit a new SRA to stop or change your payroll deduction salary deferral contributions, or your payroll deductions will not stop.
- We encourage you to submit your transaction/distribution request online to Envoy/TSACG for approval, follow the steps below:

Online: On or after January 1, 2019, go to Envoy’s website at [www.envoyplanservices.com](http://www.envoyplanservices.com) and Click on the Online Distributions button. This user-friendly system will guide you through a series of questions designed to help you obtain immediate approval certification. If your request is not eligible for immediate approval, the system will guide you through the process of submitting your distribution documents for further review.
