### Decisions

1. The committee approved the attached draft of the **2016 – 2017 Academic Calendar** for review by the colleges. Unless a major concern is raised during the review that would necessitate the committee reconvening, a final committee vote to recommend the **2016 – 2017 Academic Calendar** will be conducted by email.
  - In keeping with the agreement three years ago to observe Veteran's Day on the actual November 11 date, the committee recommended the 2016 Veteran's Day Holiday be observed on Friday, November 11, 2016.
2. Next steps: Once the committee approves a final draft of the calendar, it will be sent to all constituency groups for review and comment. The draft **2016 – 2017 Academic Calendar** will then appear on the Board of Trustees Agenda for Board action at the December 10, 2014 meeting.
