Adoption of Findings Related to Public Meetings Pursuant to AB 361:

BACKGROUND:

On September 16, 2021, Governor Newsom signed AB 361, which amended the Brown Act to provide local legislative bodies the ability to conduct virtual meetings under certain circumstances. The legislation included an urgency clause, which made it effective immediately.

AB 361 allows local legislative bodies to conduct virtual meetings during a state of emergency proclaimed by the Governor under certain conditions, including when “the state of emergency continues to directly impact the ability of members to meet safely in person.”

If the state of emergency is ongoing, the local legislative body must adopt certain findings by majority vote every thirty days in order to continue using the virtual meeting rules under AB 361.

RECOMMENDATION:

It is recommended that the District Academic Senate (DAS) adopt the finding “the state of emergency continues to directly impact the ability of members to meet safely in person.”

Los Rios CCD Academic Senate Call to Action

Approved Tuesday November 17, 2020

The four Los Rios Colleges and the District Academic Senate support the Academic Senate of California Community Colleges (ASCCC) Fall 2019 Plenary Resolution "[Support Infusing Anti-Racism/No Hate Education in Community Colleges](#)". Specifically, to the following Resolved statements from that resolution:

- denounce racism for its negative psychological, social, educational, and economic effects on human development throughout the lifespan;
- take steps to not only strive for a greater knowledge about and the celebration of diversity but also to support deeper training that reveals the inherent racism embedded in societal institutions in the United States, including the educational system, and asks individuals to examine their personal role in the support of racist structures and the commitment to work to dismantle structural racism; and
- infuse Anti- Racism/No Hate Education in all its activities and professional development opportunities to the degree that doing so is feasible.

To achieve this, our Academic Senates are committed to:

1. Include a discussion of anti-racism/no-hate education on agendas. Remembering that we do not have to have an answer to start a conversation.
2. Prioritize culturally responsive curricular redesign with our curriculum committees.

3. Acknowledge, without assigning blame, that the structure of our colleges houses the biases and prejudices of their founding times. Those biases have privileged some and disadvantaged others, particularly African American and LatinX communities.
4. Prioritize the evaluation of hiring and evaluation processes with an equity lens.
5. Request services from the ASCCC about any of these topics if needed.
6. Evaluate our academic senates and find the voices among our faculties missing in governance. Find ways to empower those voices.
7. Work with our administrations, classified professional colleagues, and students to find constructive ways students can express themselves about structural and historical biases that exist.
