

## **MISSION**

The Los Rios Community College District Academic Senate fosters the effective participation by all faculty members in all statewide, area A, and local academic and professional matters. The Senate develops, promotes, and acts upon policies and issues responding to district and statewide concerns identified from the state academic senate, its own examination, from local college senates, and from its senate-led committees. It serves as the official voice of the faculty of the Los Rios CC District with the state academic senate, district Chancellor and Board of Trustees in academic and professional matters described in Title 5, Section 532000. The District Academic Senate strengthens and supports the local senates at American River College, Cosumnes River College, Folsom Lake College, and Sacramento City College.

## **AUTHORITY**

In addition to the provisions of Title 5, Section 532000, the LRCCD Academic Senate operates within the framework and guidelines stipulated by District policy, P-3412.

## **MEETING TIMES/LOCATION**

The Senate convenes on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays of each month of the academic year (Aug-May). The meetings normally take place in the District Office's Main conference room.
