ASCCC Resolutions To Watch

9.01 S22 Definition and Guidance for Cross-Listing Courses

Whereas, The Course Outline of Record (COR) is at the center of local curricular process; its required elements have been outlined in California Code of Regulations Title 5 § 55002 and the application of those requirements is detailed in the Program and Course Approval Handbook (PCAH);

Whereas the submission criteria for CSU GE Area F allows “courses without ethnic studies prefixes” to be submitted for Area F “if cross-listed with a course with an ethnic studies prefix” , but the processes should maintain the integrity of the discipline and instruction; and

Whereas, there is a lack of system guidance on the definition and appropriate practice of cross-listing sufficient to guide colleges on course development and submission;

Resolved, That the Academic Senate for California Community Colleges works with the California Community Colleges Chancellor’s Office to revise the Program and Course Approval Handbook to include a definition of cross-listing and guidance for its implementation; and

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor’s Office to include in future publications, webinars, and other resources guidance and multiple examples of whether, how, and when to appropriately cross-list courses.
